WE STRIVE TO PROVIDE AN EXCEPTIONAL SERVICE WHICH MEETS YOUR INSURANCE NEEDS, BOTH TODAY AND IN THE FUTURE

Affinity Brokers Ltd is an independent insurance broker, dedicated to helping our clients find the right cover.

It goes without saying that we truly understand insurance, but we also understand how important it is to you and your business. We believe that everyone should have access to a professional, enthusiastic and innovative broking service.

When you work with Affinity, your requirements will be fully listened to and understood by a dedicated account executive.

Your business and its insurance needs evolve with time, so we will review and refresh your cover instead of simply renewing the same policy. Our extensively experienced team is always on the lookout for new, innovative ways to help our clients as they evolve.

COMMERCIAL INSURANCE. PROTECTING YOUR BUSINESS IS OUR BUSINESS

When it comes to running your business you don't want to cut corners, and when it comes to arranging Commercial Insurance for our clients, neither do we.

We work closely with companies of all shapes and sizes to make sure we fully understand every detail of their business. Our existing client base includes everything from local firms to national companies with turnovers in excess of £100 million.

Our approach enables us to identify your specific insurance needs and provide tailored insurance solutions. A dedicated account executive will be on hand, working with you as your business evolves and changes to ensure your company stays protected.

COMMERCIAL JEWELLERS INSURANCE. COVER THAT TAKES YOUR PRECIOUS STOCK INTO ACCOUNT

Jewellers have all sorts of unique insurance concerns to take into account, many of which won't be adequately covered by a standard retail insurance policy. At Affinity, we're able to arrange insurance that's specifically designed around these needs.

We can provide Jeweller's Block Insurance to cover your business in one handy package, including your Buildings and Contents, Employers' Liability, Product Liability and Stock in Transit, as well as Point of Sale Product Insurance to keep your customers' jewellery protected.

Cover can be tailored to the needs of jewellers, pawnbrokers, antique dealers, auction houses and more, so whatever the nature of your business, your insurance will be there for you.

PERSONAL COVER WITH A PERSONAL SERVICE

Offering a first class service from start to finish, Affinity Brokers approaches Personal Insurance with the same dedication and attention to detail as our Commercial Service.

Tailored cover can be arranged to suit your individual requirements, whereas 'off the peg' policies are unlikely to give you the exact level of protection you require.

Selected by experts, our service gives you peace of mind that you would be covered in the event you need to make a claim.

We're passionate about what we do, carrying out our roles with professionalism and integrity.
